ABOUT OUR COMPANY

A competitive format that adapts to all levels. Designed for use on all types of angles and difficulties.

VERY DURABLE FIBERGLASS MACROS

FIBERGLASS: Latest generation fiberglass, which gives our volumes great durability and light weight, ideal for big holds.

PAINT: Epoxy resin that offers great durability while keeping the sensation of humidity to a minimum.

NEW PU LINE

This year we launched our new line of polyurethane holds.

First quality and careful details will make them a great complement to our macros.

OUR MACRO FIBER SETS

ANTARES

This very versatile set is designed to be used on vertical and overhang walls.

It is composed of 9 large dual-textured or full textured Macros holds, ideal for mounting competition movements.

If you are looking for a multipurpose set that allows you to create

CYGNUS

These Macros, minimalist shape with a multi-purpose design inspired by train rails is perfect for vertical or slightly overhanging climbing.

The set is comprised of 6 volumes, 2 with positive grip, 2 with neutral grip and 2 with negative grip, making it an ideal ally for routesetting in commercial climbing gyms or for competitions.

ERIDANUS

The Eridanus set of 9 volumes designed to be used in the form of a pinch, sloper or light edge. Each volume is unique and +/- in difficulty. It is one of our most popular sets for hard climbs, competition, and for easier routes on vertical walls movements for all levels, this is what you are looking for.

BOOTES

This is a classic design of a perfect half balls with 6 large doul-textured holds, this set has a perfect attraction for climbers of all levels on any climbing wall.

If you are looking for an attractive set that offers equipment possibilities for all levels depending on the inclination, don't hesitate, this is what you are looking for movements for all levels, this is what you are looking for.

DRACO

Draco is a tribute to our logo in the form of a set of double textured hexagons with nice rounded edges.

One large grip and one blunt grip are ideal for creating eye-catching and impactful blocks in your bouldering or climbing wall.

HIDRA

The Hydra set consists of 6 volumes of similar sizes, designed to be able to mount steps on all types of angles. Rounded grips and organic finishes are the strong points of this set, which will be one of the rutter setters' favourites

OUR COLOR RANGE FULL TEXTURE OR DUAL TEXTURE

You can choose full texture or double texture and combine colors as you wish. We offer the possibility to customize the volumes with the logo of your gym.
